Dr. Cline called the meeting to order. The October 11th meeting minutes were presented. Harford made a motion to approve; McCann and Stevens seconded. Dr. Cline then provided members copies of Fruitvale ISD's Texas Academic Performance Report (TAPR). Members were provided time to study the TAPR and afterwards, there was some discussion about the report. After that, Mrs. Bain provided members part of the Emergency Operations Plan. As a committee, we read over and discussed the plan. The focus was on the frequency of various emergency drills and the Incident Command System. For the next meeting, Mrs. Hance stated she will update on any illness issues that are present within the school at that time. The meeting was then dismissed. The next meeting will be on January 10th at 3:30.
