### **District Improvement Team/ School Health Advisory Team Meeting**

#### **DIT MEETING MINUTES**

**October 12, 2016**

**3:30 High School Library**

Team Members Present: Rebecca Bain, Michelle Cline, Charles Harford, Susan McCann, Jackie King, Ashley Simmons, Tammy Plunkett, Morgan Glasscock, Amanda Masterson, Leslie Joslin, Linda Eddy, Darlene LaPrade, Judy Woodrum, Amy Browning

Dr. Cline did welcome and had the committee review and approve the minutes

A technology update where Mrs. Bain shared the district was working on chrome book roll outs on a possible one-one basis at the high school, with additional carts being added at the middle school and elementary. It was opened up for discussion and ideas. Most teachers shared that IPADS for PK-K, and chromebooks for the other grade levels was the best idea. The counselors shared their plan for a digital citizenship night for parents and inquired about ideas for getting parents to attend the event. Suggestions such as brag tags, certificates for the book fair, ice cream party, pencil machine coupon, hot chocolate day, and more were given to them to consider to increase participation by parents.

Dr. Cline reviewed the Accountability Ratings Summaries for the district with the committee.

The committee voted to approve the district goals and objectives and the appendices presented.

Dr. Cline asked members to break back into groups with 21<sup>st</sup> Century Visioning Goals and create strategies. The groups worked until they completed their group work.

The meeting was dismissed upon groups completing assignments.

Dr. Cline asked for additional agenda items to be considered. Next meeting November 9.
