

# The Proof is in the Pudding!

Try out the healthy pudding recipe below for a yummy, guilt-free treat.

## Ingredients:

- 1 ½ cups canned unsweetened coconut cream
- ½ cup unsweetened cacao powder
- 6 tbsp pure maple syrup
- 2 tsp pure vanilla extract
- Pinch of sea salt

## Instructions:

1. In a small sauce pan over low heat, whisk together the coconut cream, cacao, and maple syrup until smooth.
2. Continue to cook and stir over low/med heat for about 2 minutes, or until the mixture just begins to come to a boil with small bubbles.
3. Remove from heat and stir in salt and vanilla.
4. Allow the pudding to cool. Pour mixture into bowl, cover, and place in refrigerator to chill overnight. Consider stirring after the pudding has been chilling for a couple of hours.
5. Top with whipped cream & ENJOY!
